We have two goals,
the first to host an event in which all
the proceeds would help defray costs
for Kim and Anthony's out of pocket
expenses both before and after
Juliana's surgery.

Our 2nd goal, is to ask LVHN
colleagues to help build Kim a PTO
donation bank. Kim will need to be
out of work a few weeks before
Juliana's birth and will need as much
time possible after Juliana's birth for
one or more surgeries associated
with her diagnosis.

**Donate PTO
(LVHN colleagues)**

Complete a form at the PTO table to
donate a day of vacation time so
Kim has extra time to spend with
Juliana.
